FAR

Travelling long distances Moving to new continents Travelling long distances Images are Heaven sent

Search through this millenium Vibrate in Your inner soul Watching as Your limbs unfurl As You start to lose control

zipitup

This is Your own personal Mt Everest
This is where You lay Your bones to rest
Finally You're going live on TV
You'll have Your 14 minutes of eternity
It's in the distance
It's in the distance
On Your flat TV screen

You're going to fly Rise high Up to the sky Rise up high You're going to fly
